## 2016 Membership Program

As a member of The Green Center, your annual contribution supports our efforts to help people *understand* the natural world through hands-on experiences, *protect* native habitats, and *encourage* artistic expression inspired by nature.

As we enter into our 7th year of membership, we continue to strive toward offering membership levels that best further the mission of The Green Center, provide value to our members, and express our appreciation to you, our generous supporters. If you have any questions about membership, contact us at [info@thegreencenter.org](mailto:info@thegreencenter.org) or 314.725.8314.
